Three Days. One Great Experience.

February 20-22, 2020

The Seattle Wine and Food Experience (SWFE) is an incredible showcase of food, beverage and lifestyle that brings the pages of *Seattle* magazine to life. More than 275 leading wine brands, craft brewers, cider makers, distillers and chefs participate in the event. Gourmet bites from artisan restaurants, farmers and food purveyors highlight the Northwest's diversity of flavors.

Aligning your brand with the Seattle Wine and Food Experience positions you as part of the dynamic PNW food and beverage scene to a high-end audience, harnessing the marketing and branding power of both the SWFE event and *Seattle* magazine.
